Become An

Ambassador

Section 1: Becoming an Ambassador Requirements

Represent DesignNCut as an Ambassador

Online, at a tradeshow or perhaps on a TV show such as HSN? If so then it's your time to shine and motivate more people to create. We are looking for ambassadors who are innovative and has a passion for creating and educating others how they too can create inspiring projects as they do.

Ambassadors Monthly Responsibilities

If you become a DesignNCut Ambassador each month you have to:

- Create two monthly theme crafting projects with step by step pdf instructions, video instructions, and tips & tricks using the DesignNCut machine (& possibly a Brother Sewing machine).
- Send the required finished projects to our mailing address.
- Email us their video, step by step instructions and tips & tricks.
- Post projects on your social media account (Facebook & Instagram) ensuring you tag @BrotherCrafts and use the hashtags #BrotherCrafts #Crafting #Ambassador.

Incentive

Incentive is to be discussed prior to contract signing.

Ready to Apply?

If you feel you are up for the challenge, then we are excited to review your application!

Become A

Social Influencer

Section 2: Becoming a Social Influencer Requirements

Inspire Users as a Social Influencer

The most powerful influencers are those that are passionate, and we believe that passion evokes enthusing messages, and thru this we can all pay it forward and continue to inspire others to create.

Social Influencer Monthly Responsibilities:

If you become a DesignNCut Social Influencer each month you have to:

- Create one monthly theme crafting project (using DesignNCut) to post on social media (Facebook & Instagram)
- Send the required finished projects to our mailing address.
- Post projects on your social media account (Facebook & Instagram) ensuring you tag @BrotherCrafts and use the hashtags #BrotherCrafts #Crafting #Ambassador.

Incentive

Incentive is to be discussed prior to contract signing.

Become A

Designer

Section 4: Becoming a Designer Requirements

Design Fun Cut Files

As we help build the makers community we want to make sure that we can supply them with inspiring cut files that will encourage them to create more. If you are a savvy designer and can design SVG (cut) files that our machines can cut, please apply.

Incentive

Incentive is to be discussed prior to contract signing.
